WSPTA Reflections Art Contest

Each year the National PTA hosts an art reflections contest. This year's theme is "Accepting Imperfection". Students are encouraged to create a piece of art from one of the 6 categories (film production, music composition, visual arts, dance choreography, literature or photography) to possibly go to the state level contest. The deadline for students to submit their artwork is Wednesday, January 8th. Students must complete the artwork independently. Students received information about the program during their November/December art docent lesson.

For more information visit the Art Reflections website:

<https://www.pta.org/home/programs/reflections> Entry forms can be picked up in the main office or from your child's teacher. You may also email brownspointpta@gmail.com to have one sent to you. We can't wait to see the masterpieces that students create!

Lost and Found

Our Lost and Found is FULL!!! Please help us get the items back to their right homes by stopping by the lost and found soon and encouraging your child to take a look at it. Also, be sure to check the PTA's Facebook page for weekly pictures of the lost and found. All remaining items after January 10th will be donated.
